ABOUT HINCHEE PARK:
Hinchee Park is a 235-acre park, donated to Roanoke County in 2019 by Nancy Hinchee Pace and Pathfinders for Greenways. This woodland preserve includes the two-mile Hinchee Trail on a fire road built by the Civilian Conservation Corps. Many of the culverts still show the rock work built by the CCC.

Hinchee Trail is a gateway to Carvins Cove Natural Reserve, connecting to the ten-mile Brushy Mountain Trail. Carvins Cove is the largest municipal park in the East, with over 12,000 acres and 60 miles of trails.

ABOUT PARKING:
Parking access for Hinchee Park is extremely limited. Space is available at the Hanging Rock trailhead at 1918 Dutch Oven Road, and across Route 419 to the left of Orange Market. There is no parking on Virginia Deer Rd. For visitors wishing to access Carvins Cove, a day use pass is required. See instructions and paypost located at the Timberview Trailhead, located 3.6 miles from Hanging Rock Battlefield Trailhead.

PERMITTED USES:
The following activities are allowed within this park.

PROHIBITED USES:
The following activities are not permitted within this park unless by permit.
